I fear the day that technology will surpass our human interaction – the world will then have a generation of idiots – Albert Einstein.

LAST MEETING -

Our first meeting at the Penrith RSL proved to be a great success. There may need to be a bit of fine tuning (placing of tables etc.) but this will evolve over time. The move appeared to be acceptable to the members as I have heard of no complaints from anyone. President Rayella opened the meeting and welcomed the members and guests. She asked the members to be patient as we settle in to our new venue. She then inducted Wendy Johnston, Ann and Peter Clay into membership of the club. Welcome and congratulations. We hope your stay with us will be a long and happy one. We had 66 members in attendance with apologies received from Ron Greenfield, Kaila and Shantha Kailiopathy, Pat McCall, Helen Ward and Mandy Stevens. We look forward to seeing you next meeting. There were 8 guests – Margaret Cruickshank, Doreen Ryan, Debbie King, Maureen McLean, Vega Hogon, Margaret Cahill, Betty Whybrow and Judith Mahan. We hope you all enjoyed the meeting and look forward to seeing you again next month. It was great to see Roy and Pat King back with us again. Roy, we all hope you will be fighting fit again in no time. As there was no guest Speaker President Rayella conducted a trivia quiz on Australiana which was good fun. There was a “Landmark Birthday” with Bob Ley achieving the “OBE” award. Congratulations Bob. The lucky door prizes were won by Barbara Davis and Barbara Steer. Congratulations to you both. – Actg Editor.

Grant me the senility to forget the people I never liked, the good fortune to run into the ones I do, and the eyesight to tell the difference.
